COMFORT ADAPTER FOR SEAT OF PASSENGER FOR ATV POLARIS 2 SEATER.

Before installing the Quadrax Comfort seat adapter

After installing the Quadrax Comfort seat adapter

Comfort adapter passenger seat cover for 2-seater Polaris ATV

The comfort adapter seat cover is made of a durable and waterproof vinyl. It can be installed quickly and easily. Designed to provide more stability and support for the passenger the adapter is also equipped with a back support that prevents the driver from sliding backwards giving more space for the passenger.

Installation Steps

1. Remove the passenger seat and backrest assembly
2. Slide the adapter over the seat, insert on front of the seat first and then towards the back
3. Reinstall the seat on the ATV
